

INSIDE

Este inovador sistema de embutir no teto permite a utilização de uma porta de correr em madeira e vidro de grandes dimensões. Sem elementos inestéticos visíveis, o INSIDE cria ambientes modernos, funcionais e sofisticados.

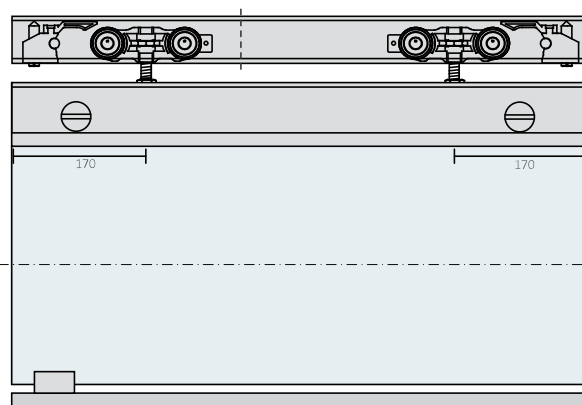

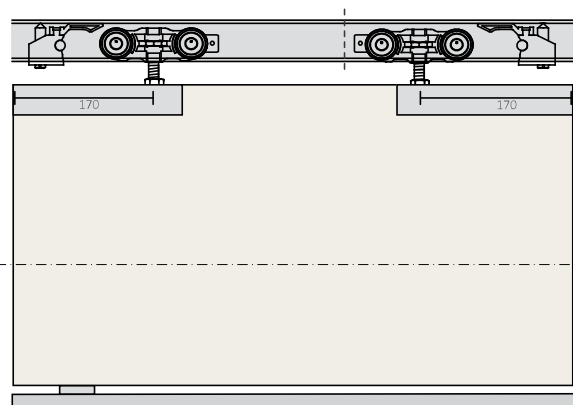

Exclusive for plasterboard walls, this innovative in-ceiling system allows the use of a large dimension wooden or glass sliding door.

Without unaesthetic visible elements, the INSIDE creates modern, functional and sophisticated rooms.

Exclusif pour des murs en plaques de plâtre, cet innovant système d'encastrement au faux-plafond permet l'utilisation d'une porte coulissante en bois ou en verre de grandes dimensions. Sans éléments inesthétiques visibles, l'INSIDE crée des espaces plus modernes, fonctionnels et sophistiqués.
